PROFILE

Entry-level barber with hands-on practice cutting fades and line-ups for friends/family and local clients on a part-time basis. Strong focus on hygiene, neat finishing and respectful customer service. Looking for a junior barber or barber assistant role to grow under an experienced team.

KEY SKILLS

- Basic fade and blending (low/mid/high), taper fades
- Line-ups and edge work (trimmer detailing)
- Clipper handling and guard control
- Client communication: confirming style, checking during the cut
- Hygiene: disinfecting tools, clean station habits, cape/neck strip use
- Punctual, reliable and willing to learn
- Comfortable with weekend work and busy environments

EXPERIENCE

Freelance / Home-based Barbering (Informal) — [Area, City]
[Month Year] – Present

- Provide haircuts to friends/family and local clients by referral, focusing on fades, line-ups and clean finishing.
- Follow a consistent hygiene routine: disinfect clippers/trimmers, keep tools organised, and clean the station area after each client.
- Build confidence through repeated practice on different hair types and hairlines; request feedback and adjust technique.

OTHER WORK EXPERIENCE (optional)

[Job title] — [Company], [City]
[Month Year] – [Month Year]

- [Bullet showing reliability: attendance, shifts, customer service, cash handling, teamwork]

EDUCATION & TRAINING

- Matric (Grade 12), [School], [Year] (or highest grade passed)
- [Optional] Barbering short course / workshop, [Provider], [Year]

PORTFOLIO

- Photo portfolio: [Link]
