Re: Application for Cashier

Dear Store Manager,

I'm applying for the Cashier position advertised in your store window. I completed my matric in 2025 and I'm looking for my first full-time job in retail. I'd like to work at Ubuntu Fresh Market because I shop there often and I've seen how busy and well-run the tills are.

For the past two years, I've helped at my family's spaza shop after school and on weekends. I served customers, gave correct change, packed shelves and helped with the cash-up at the end of the day. Your advert asks for someone who is good with numbers and friendly with customers, and this is exactly what I did every week.

I'm willing to work weekends, public holidays and shifts. I live 15 minutes from the store by taxi, so I can arrive on time for early starts.

My CV is attached. I can be reached on 082 000 0000 and am available for an interview at any time.

Thank you for considering my application.

Kind regards,
Sipho Ndlovu
