- Baked [scones/muffins/rolls/biscuits] for family and community events, following recipes closely and working to a set time for collection.
- Practised safe food handling: clean surfaces, washed hands regularly, stored ingredients properly and kept finished products covered and labelled.
- Sold baked goods by order via WhatsApp; took simple orders, confirmed quantities and ensured neat packaging for customers.
- Comfortable with standing for long periods, working quickly, and taking instruction from a supervisor.
