ENTRY-LEVEL BRICKLAYER | BUILDER'S HELPER

Hardworking entry-level bricklayer seeking an opportunity to learn on site and grow in the trade. Assisted with block/brick work, mortar mixing, measuring and site clean-ups on [community / family / small contractor] projects. Reliable, punctual and safety-conscious (PPE, keeping areas clear, following instructions).

PRACTICAL SKILLS

- Mixing mortar and keeping a consistent work pace for the bricklaying team
- Carrying and stacking bricks/blocks and keeping materials ready
- Basic measuring and marking; understanding line and level importance
- Site housekeeping, rubble removal and tool care
- Basic plaster patching under supervision

EXPERIENCE

Builder's Helper (piece jobs / community projects) — [Area/Town]
[Month Year] – [Month Year]

- Assisted with boundary wall and small building work by mixing mortar, moving materials and keeping the work area clean.
- Supported setting out by measuring and marking positions as instructed.
- Followed safety instructions and used PPE where required.

EDUCATION & TRAINING

- Matric (Grade 12) — [School], [Year] (or highest grade passed)
- [Construction skills course / safety course] — [Provider], [Year] (if applicable)

ADDITIONAL INFORMATION

- Willing to start as a helper and work up
- References available on request
