PROFILE

[Car wash attendant] with [X] years' experience washing and valeting vehicles in a busy car wash. Strong on interior cleaning, careful handling of customer vehicles, and working fast under pressure. Known for punctuality, honesty and good customer service. Willing to work weekends and public holidays.

KEY SKILLS

- Exterior wash (pre-rinse, shampoo, rinse, drying)
- Interior vacuuming and detailing
- Windows and mirrors (streak-free finish)
- Dashboard/trim cleaning and polishing
- Tyre shine and rim cleaning
- Using car wash chemicals safely (dilution and storage)
- Working in a team in a high-volume environment
- Customer service and handling complaints politely
- Attention to detail and vehicle care
- Following instructions and checking work before handover

WORK EXPERIENCE

Car Wash Attendant — [Car Wash Name], [Area]
[Month Year] – [Month Year / Present]

- Washed and dried customer vehicles using safe methods to avoid swirl marks and scratches.
- Completed interior valet services: vacuuming seats and carpets, wiping dashboard/console, cleaning door panels.
- Cleaned windows, mirrors and rims to a consistent standard before vehicle handover.
- Used correct chemical dilution and followed safety rules (gloves, storage, spill cleanup).
- Assisted with queue control and moved vehicles carefully when required.
- Reported pre-existing damage to supervisor before starting work and treated customer property with care.

General Worker (Part-time) — [Business/Employer], [Area]
[Month Year] – [Month Year]

- Supported daily operations with cleaning, packing and basic maintenance tasks.
- Kept work area neat and safe; followed instructions and completed tasks on time.
