Profile
Hairdresser with [X] years' experience in [salon/home-based/mobile] settings, offering ladies' cuts, blow-dries, colour application support, and protective styling (braids/weaves). Known for clean workstations, friendly consultations, and consistent finishing. Comfortable working peak-hour Saturdays and supporting the team where needed.

Key services

- Ladies' cuts, trims and shaping
- Wash-bay, blow-dry, flat iron and curls
- Colour application (root touch-ups, all-over colour) [add "assistant" if applicable]
- Protective styling: [box braids / knotless / cornrows / twists]
- Weave/wig prep: wash, detangle, braid-down, basic install support
- Treatments: deep conditioning, scalp care, protein treatment support
- Client consultations and aftercare advice

WORK EXPERIENCE

Hairdresser / Junior stylist
[Salon Name], [Suburb/City] — [Month Year] to [Month Year or Present]

- Provided wash, blow-dry and styling services for walk-in and booking clients, maintaining neat finishing and time management during peak periods.
- Performed ladies' trims and basic shaping according to client requests, confirming length and style during consultation.
- Supported colour services by prepping stations, sectioning, assisting with application where allowed, and ensuring tools were sanitised between clients.
- Maintained hygiene standards: disinfected combs/brushes, cleaned chairs and basins, and kept the workstation presentable.
- Handled basic retail recommendations (shampoo, conditioner, treatment products) based on hair condition and aftercare needs.

Salon assistant (learnership/part-time)
[Salon/Training Salon], [Suburb/City] — [Month Year] to [Month Year]

- Prepared clients for services (gowning, detangling, wash-bay support) and assisted stylists with set-up and clean-up.
- Managed towel/laundry rotation and ensured tools were stored safely and hygienically.
- Supported reception tasks when needed: greeting clients, confirming bookings, and communicating waiting times.
