Profile
Entry-level hairdresser focusing on protective styling (braids/twists) and basic wash-and-style services. Built experience through home-based clients and practice models, with a photo portfolio showing neat parting and clean finishing. Completed [short course/training] and looking for a salon assistant or junior role to grow in colour and cutting under supervision.

Key services

- Protective styles: [box braids / knotless / cornrows / twists]
- Wash, detangle and blow-dry (basic)
- Basic treatment routine support (deep conditioning, scalp care)
- Client consultation: confirming style, length, comfort, aftercare tips
- Hygiene: sanitising combs/brushes, keeping a clean station

PRACTICAL EXPERIENCE

Home-based hair services (part-time)
[Area, City] — [Month Year] to Present

- Completed protective styles for friends/family and clients by appointment, confirming style choice and finish before starting.
- Kept tools clean and organised, used safe detangling and tension control to protect edges and scalp comfort.
- Shared aftercare guidance (moisture, scalp care, night routine) to help styles last longer.

Training practicals
[College/Academy], [City] — [Year]

- Completed supervised practicals including wash-bay routines, blow-dry practice, sectioning, and basic styling.
- Practised client service basics: greeting, consultation questions, and professional conduct.

TRAINING & SHORT COURSES
