PROJECTS (HOME DIY / COMMUNITY)

- **Room repaint (home):** prepped walls (filled/sanded), applied undercoat and two top coats, kept edges neat and cleaned up daily.
- **Bathroom refresh:** removed old silicone, re-siliconed bath and basin edges, replaced leaking tap washer and tested for drips.
- **Small repairs:** fixed cupboard hinges, installed curtain rails, mounted a shelf using wall plugs and a spirit level.
- **Tool handling:** safely used drill/driver, measuring tape, spanners, pliers set; kept tools clean and stored correctly.
