Home-based Nail Technician (Practice Clients) — [Your Area], [City]
[Month Year] – Present

- Completed [number or “regular”] gel polish and gel overlay sets for practice clients, focusing on neat prep, shaping, and clean finish
- Photographed work for a portfolio and tracked feedback to improve consistency and speed
- Followed hygiene routine: disinfected tools and work surfaces between clients and used single-use items where required
- Managed bookings via WhatsApp and confirmed time slots, pricing, and aftercare instructions
